

EAST SAN JOSE PEACE PARTNERSHIP

# VISION OF CHANGE

## FOUNDATIONAL WORK

- A trusted convener & decision-making approach
- Track record of success
- Community-driven systems solutions
- Shared analysis & commitment to equity

## OBJECTIVES

Reduced rates of violence and trauma, increased healing

Economic stability, resilience, and opportunity

Stable, affordable, healthy housing

Addressing immediate family and community needs

## COLLECTIVE ACTIVITIES

- **Community-selected indicators** of success for each objective are monitored regularly and shared transparently
- **Inclusive multi-sector workgroups** identify an ambitious set of policy, community, and clinical strategies
- **Partnership development and commitments** in order to increase capacity and political will
- **A wellness fund** to pool and distribute resources fairly
- **Cultivation of community leadership** to ground, drive, and sustain the work

## ULTIMATE IMPACT

Within 10 years, East San José is the healthiest, most equitable community in Santa Clara County
